ACKNOWLEDGMENT

We would like to extend our heartfelt gratitude to those individuals and organizations, without whom the project would not have been possible.

Firstly, we would like to thank our guides **MR. D. TEJA SANTOSH**, Assistant Professor, and **MS. D. VIJAYA LAKSHMI**, Assistant Professor, Department of Computer Science and Engineering who supported us a lot in successfully completing our project.

We would like to thank the Head of the Department **Dr. S. Phani Kumar**, for encouraging us and giving a due support in our project work.

We would also thank our Institution and faculty members without whom this project would have been a distant reality.

Last but not least, we would like to thank our family and friends for their encouragement and support.
